

BOSOM BUDDIES BALL 09 DIAMONDS ARE FOREVER

The 15th Annual Bosom Buddies (Black Tie) Charity Ball

**Savoy Ballroom
Grand Hyatt Melbourne**

Level 8, 123 Collins Street, Melbourne (entrance via Russell Street)

**Saturday 22 August 2009
Drinks at 7:00pm. Seated by 7:30pm**

Fancy yourself as a Bond girl or Miss Money Penny? Or maybe the man himself... Bond, James Bond. Transport yourself to a time when double-entendres, high speed car chases and girls dripping in diamonds were all in a day's work for the smooth talking, dizzily handsome Mr Bond.

A night of glitz, glamour, and of course, glittering diamonds, for a truly worthy cause.

All guests will automatically be in the running to win a dazzling \$1,000 pair of diamond earrings.

Guests will enjoy outstanding entertainment, including 10 piece band Dejavu, a dancing extravaganza from 007 and his Bond girls, and much more – this entertainment is set to thrill!

Chance your luck at \$10,000 worth of prizes from the Diamond Treasure Chest.

Dine on an elegant three course dinner with the finest local produce, complemented by a selection of boutique wines.

Highlights of the main auction will include an exquisite 1.5 carat brilliant-cut diamond ring, valued at over \$28,000* compliments of the Presenting Partner 'Australian Diamond Company', and a 2009 Ford Focus.

*valued independently for insurance replacement purposes

Support our breast cancer research and have a fabulous night out that is sure to leave you shaken AND stirred!

Bosom Buddies Breast Cancer Foundation

The Bosom Buddies Breast Cancer Foundation promotes and finances research undertaken at the internationally recognised Burnet Institute, to develop preventative and new treatments for breast cancer. With one in eight women falling prone to the disease in their lifetime, most of us will know someone affected by breast cancer. The need for action is urgent.

Under the direction of Professor Brendan Crabb, researchers at the Institute are committed to battling the threat of breast cancer and are making substantial progress in their understanding of the disease, its cure and prevention.

All proceeds raised by the Bosom Buddies Breast Cancer Foundation will be used to support vital breast cancer research at the Burnet Institute.
